- DesRochers Backyard Pools will schedule your opening, closing, and cleaning visits when the Platinum Maintenance agreement is signed.
- Chemicals not included in this package would be chlorine demand, algae blooms, or cloudy water treatments due to inadequate filter equipment or contamination.
- If additional chemicals are needed or wanted they will be provided and charged to your credit card on file when delivered or added.
- You may need to provide the pool with minor maintenance between DesRochers Backyard Pools scheduled visits due to things like rain, heavy bather load, algae contamination, high winds, or excessive heat.
- If pool has a solid cover, it should have an operational automatic cover pump in place. Water removal is an extra \$75 charge.
- Repairs are not included in the Platinum maintenance package price.
- Your day of service and time cannot be guaranteed.
- Please refer to the Opening and Closing Contract for all instructions on having the pool ready for the opening and closing.

This contract is void after December 31st, 2017. This contract supersedes any previous contract pricing. This contract cannot be cancelled.
