

A **Backyard Pools Bi-Weekly Maintenance Service Agreement** provides a comprehensive service for your pool by following a carefully planned routine that will keep your pool water sparkling, and you pool equipment operating properly throughout the season.

Our **Bi-Weekly Maintenance Service Agreement** provides the following services with each visit

- Pool is hand vacuumed with our own equipment, surface skimmed, tiles brushed, and leaf baskets cleaned.
- Filter cleaned as required. (minimum once a month)
- Water tested and chemicals added if requested by homeowner.
  - **NOTE:** Homeowner's chemicals (Bioguard only) will be used if available; otherwise chemicals will be provided and charged accordingly. Will not use other chemical brands due to dosage rates and liabilities.
- Balancing chemicals will be charged monthly per pound if not available.
- Replenishment of your Biougard chemicals will be charged monthly.
- Written report will be provided after each visit detailing:
  - Chemicals that were added and any special requirements needed.

**Bi-Weekly Service Agreement Available (The week after Memorial Day – Labor Day)**

**Bi-Weekly Service** (One Visit Every other Week) **Customer is required to add weekly maintenance chemicals on the off weeks.**

Provides 7 regular visit starting the week of Memorial Day ending week of Labor day. \$250.00 Per month

**NOTE:** All service fees are payable by credit card on file on the 1<sup>st</sup> of the following monthly. [Service fees include IL sales Tax.]

**ADDITIONAL MAINTENANCE VISITS** are available prior to the start of scheduled services as well as following the conclusion of the service program. (tax included) These visits may be requested simply by checking the appropriate box on the service agreement below.

**Platinum Pool Opening** **\$1100**

**Platinum Pool Opening** -This service includes the typical opening which includes removing and cleaning of the cover, reconnection of all systems, replacing handrails and ladders, checking the operation and all the equipment and addition of the opening chemicals. In addition we will vacuum, skim and balance the pool until the pool is ready to swim. The balancing chemicals are included in the package the entire process could take up to 2 weeks. Once the platinum opening is complete the Bi-Weekly service will begin.

**Spring Pool Cleaning** **\$110 for the first hour, \$55 for each additional hour at same visit**  
**(Minimum of 1 hour per visit)**

**Spring Pool Cleaning**- This service is typically needed in spring, once the pool is open and running with shock and algaecide. **IT MAY TAKE MULTIPLE VISITS DEPENDING ON SEVERITY OF POOL WATER AND DEBRIS CONTENT.** Once started a water sample will be taken for analysis, The balancing chemicals will be an extra charge. Also included in this service is Vacuuming of the pool, Cleaning of the skimmer and pump basket, Backwashing filter, and replenishing DE if necessary. This process gets the pool ready for our regular IN-Season cleaning service once the pool is cleaned and balanced you will be scheduled and charged bi-weekly cleanings. **Spring clean up must be scheduled before Memorial Day.**
